PTA Membership Myths & Truths

MYTH: *PTA membership is only for moms.*

TRUTH: PTA is for everyone! Parents, guardians, students, teachers, grandparents, administrators, school board members, aunts, uncles, community members etc.

MYTH: *PTA is only a social club.*

TRUTH: While some work done by the PTA may appear purely social - including family events like Spring Fling and Picnic & Movie Nights that are organized to strengthen the school community - much of PTA's work focuses on funding essential school resources and curriculum needs, as well as advocating at the local, state, and national levels impacting decisions affecting your child's health, safety, and quality of education. Join to have your voice heard!

MYTH: *PTA membership never expires.*

TRUTH: You need to join every year. Even though membership generally runs annually July- June, you can join any time.

MYTH: *Joining PTA requires you to volunteer.*

TRUTH: If you want to volunteer, that's great! If not, your support as a member is enough. There is no wrong or right way to be involved - anything you can give, whether it's time or money, will support your child's potential.
